Subject my summer plans

Hi there!

How are you? Are you as excited for summer as me? I can't wait! We already booked tickets for Disneyland - we are going to Paris! Maybe we will see the Eiffel tower, too. But we are going to stay in a hotel that is outside of Paris, because then we won't take so long to the Disneyland. I still can't believe that we are going there... So exciting! I had to tell you since we won't see each other for another three months... :-(

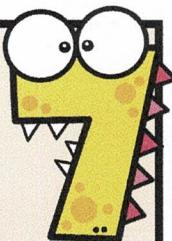

How is it going at home? I miss you guys! I hope we will hear each other soon.

Love,
Theo
